

Request form

ownCloud materials

Please fill in all fields. We need a shipping address AND phone number as well as some info about the event so we can decide what to send and when. Remember, shipping and handling takes time, this form should be in our hands at least a month before the event takes place!

Please just fill this in digitally, save it (or '*print to pdf*') and send it by mail to john@owncloud.com
No killing of trees required!
